

OFFICE OF SPILL PREVENTION AND RESPONSE (OSPR)

Scoping Sessions to Implement the New Statewide Oil Spill Prevention and Response Program

SB 861 of the 2013-2014 Regular Session, signed by the Governor to go into effect on July 1, 2014, created a statewide oil spill prevention and response program. Three scoping sessions have been scheduled to discuss and get input on the implementation of this bill. The scoping sessions have been scheduled as follows (**Note: the 9am sessions will focus on rail; the 1:30 sessions will focus on production facilities and pipelines**)

Monday July 28, 2014

9:00 am: Rail

1:30 pm: Production facilities/pipelines

Red Lion Hotel

500 Leisure Lane

Sacramento, CA

Wednesday July 30, 2014

9:00 am: Rail

1:30 pm: Production facilities/pipelines

DoubleTree Hotel

3100 Camino Del Rio Ct,

Bakersfield, CA

Thursday, July 31, 2014

9:00 am: Rail

1:30 pm: production facilities/pipelines

Port of LA Administration Building

Board Room

425 S. Palos Verdes Street

San Pedro, CA

The agenda and any related documents will be released on the [OSPR Legal and Regulations](#) page on July 18, 2014.

Questions regarding these sessions or the posted documents can be directed to Chris Klumpp: (916) 322-1195 or e-mail Christopher.Klumpp@wildlife.ca.gov.

Please RSVP to Mr. Klumpp by July 17 if you plan to attend.

Thank you for your interest and participation.
